- same cancellation conditions with Website
- same services and privileges with Website (including amenities)
- same plan, services, and privileges with Website (including amenities)

<Conditions not covered by the warranty >

- Rates that are not intended for general customers, such as corporate contract rates, rates for groups, and rates for partnerships with specific facilities.
- Rates for unusual plans that the hotel cannot be involved in, such as unexpected limited-time sales campaigns on other websites.
- Rates of payment in advance, such as special payment methods (including online auctions and joint purchase sites), credit cards, debit cards, coupons, vouchers, etc.
- Rates that the hotel cannot be involved in the sale amount, such as packaged travel sold by travel agencies (arranged travel, etc.).
- Rates that change according to exchange rates.

Access Log

The Website records visitors' information in the form of an access log. This access log may be used for statistical analysis of the usage of the Website, improvement of the Website, and investigation of the cause of system failure and unauthorized access.

The access log includes the domain name and IP address, the date and time of access, the name of the file accessed, the URL of the page from which the link originated, and the name of the Web browser and OS used, but it is not linked to any personal information.

Use of cookies

A cookie is a data file that a website sends to a user's computer to read the data file from the user's computer when the user revisits the site. The Website uses cookies for some of its services, but it does not obtain personal information from users.

If the user rejects cookies, some services on the Website may be restricted.

SSL

The Website uses SSL encryption technology to protect the privacy on the pages where users enter their personal information. Please ensure that SSL is enabled in the browser before using this site. The data entered by the user will be encrypted and transmitted.
